

Management Alert - Classified Systems Lack Proper Authorization to Operate
OIG Report No. 19-MA-05

During the course of the *Audit of Classified Systems*, the Office of Inspector General identified an issue that warranted immediate attention. A Management Alert was issued on March 21, 2019 describing the lack of proper authorization to operate (ATO) classified information systems at the National Archives and Records Administration (NARA). The purpose of the alert was to bring this matter to management's attention to ensure further vulnerabilities were appropriately mitigated and secured.
